### Bitcoin Miner Game: 7 Tips for iOS & Android to Boost BTC Earnings

Bitcoin Miner is one of the most engaging mobile games we've ever experienced that pays out real bitcoins during gameplay. Unlike classic games such as solitaire and sudoku that inject BTC, it is a colorful and recursive game that focuses on mining virtual cryptocurrencies. For cryptocurrency enthusiasts, the game offers a relaxing experience, but it's worth noting that - like all casual games - the amount of bitcoins you earn in it is usually only a few cents per hour. However, as we invested more and more time in the game, we discovered a few strategies and tricks that can help you easily increase the number of Satoshis (i.e. 1/100,000,000 BTC) without having to

spend extra on in-game purchasing advantages.

If you want to maximize your [Bitcoin Miner](#) experience on iOS and Android devices and earn as many BTC as possible without spending extra, the following seven tips will help you achieve that goal. Some of the suggestions may seem obvious as the game progresses, while other tips may surprise you, but they're all worth keeping in mind as you play.

## Complete Missions | Optimize Your Crypto Strategy

Discover a steady stream of BTC rewards with our simple yet effective tip. At the top of your screen, you'll find a mission that requires easy tasks like unlocking a new coin, tapping power-ups, or earning crypto via mining. By completing each mission, you'll earn valuable satoshis. Focus on these missions for a consistent [Flow](#) of BTC rewards.

## Discovering Satoshis

Maximize your Bitcoin earnings with our exciting satoshi hunt! Every four hours, a new treasure trove of free Bitcoin awaits in our in-game store. Simply navigate the menus to uncover five hidden orange satoshi icons. Tap each one to claim a reward of 3 real satoshis, instantly credited to your ZBD wallet. That's 15 satoshis per round, adding up to a potential 90 satoshis daily if you stay on top of the game. Join the hunt now and earn free Bitcoin while having fun!

## Daily Crypto Tips

Stack your sats daily with Bitcoin Miner! Login every day to claim growing rewards, including free satoshis that you can cash out to your ZBD wallet. Keep your streak alive and watch your earnings soar. It's simple and rewarding - just play daily!

## Maximize Sats Tap

Maximize your Bitcoin Miner earnings by strategically tapping power-ups above coins. Boost your in-game rewards with every tap. Look out for the orange Satoshi icon, even above fake crypto coins. Tap it to bank real Satoshis that you can withdraw later. Get ahead of the game and tap the sats for maximum profit.

## **Crypto Event Play**

Discover extra excitement with Bitcoin Miner's weekend events! Join the rush to mine coins and build a rocket ship. Unlock bounties of satoshis by hitting mining benchmarks and join the adventure to the moon. and enhance your Bitcoin Miner experience. Don't miss out on these bonus challenges, they're worth your time and effort!

## **Sell & Restart Crypto Journey**

This innovative feature allows you to rebuild your mining operation in just 15 minutes, reaching your previous level and surpassing it with even more earnings. When progress feels slow, this temporary setback is worth it for the long-term gain.

Not only do you get a boost in earnings, but selling and starting over also refreshes your mission list. Say goodbye to time-consuming missions and hello to a new set of basic tasks that you can complete quickly.

## **Regular Cashouts: Key for Success**

Maximize your earnings by regularly cashing out your hard-earned satoshis! With Bitcoin Miner, you can accumulate hundreds of satoshis daily, but remember to withdraw up to 500 sats daily to avoid any backlog. Seize the opportunity to withdraw for free via the Lightning Network straight to your ZBD wallet. Keep your funds secure and flexible by transferring your Bitcoin from ZBD to a self-custody wallet whenever you want. Stay ahead of the game and cash out regularly!
