How to Transfer Crypto from Binance to BTCC

Are you looking to transfer crypto from your Binance account to BTCC? You've come to the right place.

In this article, we will show you how you can send your crypto from your Binance account to your BTCC account. It's straightforward and doesn't require advanced knowledge to complete the whole process.

A step-by-step guide to sending crypto from Binance to BTCC

Step 1

Go to the BTCC app, tap **Deposit** on the home page.

Step 2

Select the cryptocurrency and its network that you plan to deposit into your BTCC account. USDT-TRC20 will be chosen as an example.

Choose your deposit currency

Please choose the correct crypto and make sure it is the same crypto chosen on the other platform, otherwise, your assets will not arrive or cannot be recovered.

Step 4

Leave the BTCC app for now. Log into your Binance account. Go to **Wallet** and click **Fiat and Spot**.

Then click **Withdraw**.

Select the cryptocurrency type and network that you have previously chosen on BTCC. Then paste the BTCC address that you have saved earlier and input the amount you would like to withdraw. Click **Continue** to proceed.

Verification Questionnaire

In order to keep your assets secure, you will need to complete a verification questionnaire before making withdrawals.

06. I acknowledge the information below

- ☐ A. Assets cannot be recovered once withdrawal is confirmed successfully.
- ☐ B. Binance cannot guarantee the risk clearance for the non-binance platform or individual

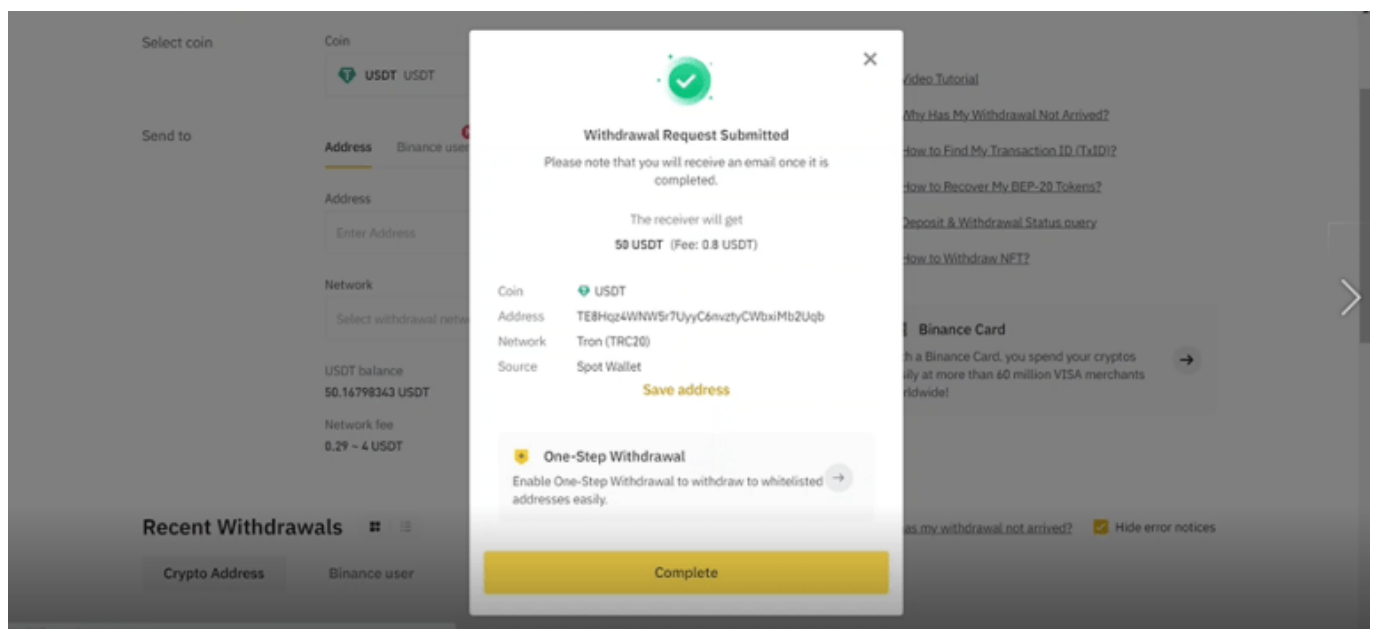

Previous Submit

Fill in the necessary information for the withdrawal verification.

After submitting your withdrawal request, you will see this window popping up, informing you that you will receive an email once the withdrawal is complete. Please note that the time needed for withdrawals to complete depend on different exchanges.

As stated on Binance's website, withdrawals generally take between 30 to 60 minutes to complete.

Step 6

Now let's go back to the BTCC app. You should be able to receive an app push notification notifying you of the deposit arrival. You can check the status of your deposit by tapping the top right corner of the Deposit page of each cryptocurrency.

Daily, quarterly & perpetual
- ✓ **Flexible leverage**
from 10x to 150x
- ✓ **Lowest trading fees**
0.03%
- ✓ **Industry-leading market liquidity**
- ✓ **Plenty of campaigns**
to win exciting rewards
- ✓ **Quality multilingual customer support**

BTCC

BTCC - One of the Best Futures Trading Platforms for Cryptocurrency

Everyone interested in cryptocurrency trading might start by trading futures. This financial instrument is especially suitable for those who want to get exposure to cryptocurrency. But, without actually holding it in digital wallets and bothering about its security.

Also, crypto futures enable different strategies and operations that cannot be implemented in spot markets with the same success, such as short-selling and scalping.

As one of the best platforms for futures trading, BTCC offers a variety of futures trading options that are sure to bring flexibility to crypto futures traders.

Daily Futures, Quarterly Futures, and Perpetual Futures are all available to BTCC users. These can be used in conjunction with leverage or without it, with support for Market/limit/SLTP orders.

- BTCC offer leverage as high as 150x for daily futures contracts, and support 18 major cryptocurrencies.
- BTCC's huge varieties of futures suit the trading habits and goals of beginners and experienced traders.
- Coin-margined futures. Users can trade futures using USDT or cryptos like BTC, ETH, and XRP.
- Large liquidity. Large orders of up to 300 BTC can be executed at the top price levels.

Overall, BTCC has over 10 years of stable and secure operating history with a low investment threshold of 3 USDT, making it a solid option for anyone looking to continue or start their crypto futures journey.

The process of trading futures with BTCC begins with registration and log in. New customers can now sign up [here](#) and complete the Know Your Customer verification process to access all BTCC's features and claim special deposit bonus. Once verified, you can start your cryptocurrency futures trading now! And you can also earn on the platform by referring other traders.
